Parts and Accessories List

PSI60 Programmable switch interface. Turns a simple Dry Contact into a smart bus command.

PSIB Programmable switch interface in a box.

R2D7 RS232 controller for up to 7 systems. Capable of controlling 420 motors from one serial input.

IPD4 IP controller for up to 4 systems. Capable of controlling 240 motors per IP address.

SSPB Programmable sun sensor control unit, also capable of reacting to wind.

Timer Techniku Chronolux™ Timer.

COUPLER 6P4C (RJ11) female to female coupler.

INS-A Insulator kit for interface.

INS-AUM Insulator kit for interface.

INS-D Insulator kit for interface.

INS-ISO Insulator kit for ISO.

LRA Long range antenna for RR24.

MAG SW Magnetic reed switch for safety override.

MB Mounting bracket for interface in a single gang junction box.

MCI-1M3S Master control isolator for up to 3 systems.

MCI-1M7S Master control isolator for up to 7 systems.

MJA4 Modular jack adapter for 4 wires connecting to an RJ11.

MOD CABLE White satin 4 conductor phone cable, 1000ft. spool.

MODPLUG(STD) 6P4C modular plug (RJ11).

MODPLUG(6COND) 6P6C modular plug (RJ15).

MPS AC motor plug set, Male and Female for mechanical disconnect.

PB Plastic utility box for surface mounting.

PC-6 6 ft. AC power cord, special 90 degree molded end.

PC-10 10 ft. AC power cord, special 90 degree molded end.

PC-20 20 ft. AC power cord, special 90 degree molded end.

REP/TTI Timer interface with built-in repeater/filter technology.

RS232 Adapter DB9 to RJ11 adapter for R2D7 interface.

SP-2E2R Splitter for 2 eyes and up to 2 receivers.

SP-2E6R Splitter for 2 eyes and up to 6 receivers.

USB Adapter Converts a USB port to a 9-pin serial port.

WA Wind anemometer cups & bracket.

RR24 24 channel radio receiver module.

RE-2S Receiver eye on 2ft. white modular cable.

RE-6S Receiver eye on 6ft. white modular cable.

RE-Custom-S Receiver eye, custom length of up to 25ft.

RE-Custom-L Receiver eye, custom length of up to 50ft.

REB Receiver eye in wall mount box.

REJ Receiver eye for mounting in J-box with violet IR lens, sized for a Decora cover plate.

JBMK Receiver eye with mounting bracket & violet IR lens, sized for a Decora cover plate.

RE-DIY Receiver eye: do-it-yourself kit.

Transmitters and Keypads

T60 LCD Touchscreen IR remote for 60 channels +ALL.

T24A-P dual IR & RF transmitter for 24 channels + ALL.

T24A-P IR transmitter for 24 channels + ALL.

T12A-P dual IR & RF transmitter for 12 channels + ALL.

T12A-P2 IR transmitter for 12 channels + ALL.

T6 dual IR & RF transmitter for 6 channels.

T6 IR transmitter for 6 channels.

T4-RF RF transmitter for 4 channels.

T1-RF RF transmitter for 1channel.

RFTM RF transmitter module.

K24A-PRF RF Key Pad for operating and programming a 24 channel system.

K24A-P Hardwired Key Pad for operating and programming a 24 channel system.

K12A-PRF RF Key Pad for operating and programming a 12 channel system.

K12A-P Hardwired Key Pad for operating and programming a 12 channel system.

K6-RF RF Key Pad for operation of a 6 channel system.

K6 Hardwired Key Pad for operation of a 6 channel system.
