REMOTE CONTROL – BATTERY PACK

These shades require no hard wiring. Included is a plastic battery pack (1" x 3/4" x 5") which is positioned next to the shade in the window shaft (it includes 16" of wiring). Long life lithium batteries are included. The remote control operates up to 50 feet from the receiver which is located next to the motor in the headrail of the skylight shade. Included in this package is the fabric shade, the battery pack with lithium batteries, the easy to operate remote control and installation instructions.
