System OVERVIEW

Whether you're looking to control your motorized window treatment system from your voice anywhere in your home, or from a mobile device anywhere in the world, DEL Motorized Solutions will provide a user-friendly solution. Our systems can be integrated with the industry's leading smart home systems such as Control4, Crestron, Vantage, Lutron, Apple, Google, and Alexa or they can operate in a standalone system using a simple remote control or wall keypad.

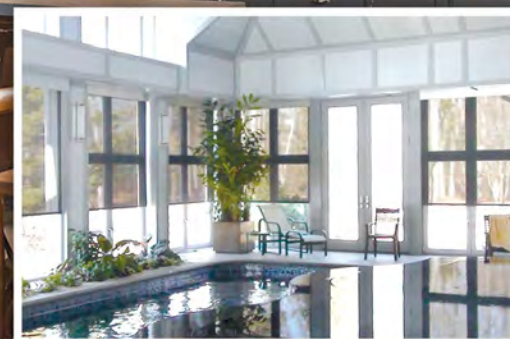

About Us

DEL MOTORIZED SOLUTIONS

DEL Motorized Solutions is proud to offer the most innovative window treatments in the industry since 1976.

Founded in the 1940's as an exclusive custom upholstery company, we have the ingrained passion to perform each project with precision. Our strive for perfection has enabled us to become Lutron's premier residential dealer and the first window treatment dealer inducted into the Lutron Hall of Fame.

Our MISSION

DEL Motorized Solutions is committed to providing our clients with the most innovative, high-quality automated window treatments in the industry, coupled with a superior customer service experience.

- We are guided by core values that are shared by every member of our team
- We are dedicated to building long-term client relationships
- We will help inspire, educate, and problem solve for our clients
- We value the trust our clients have placed in us and continuously strive to exceed their expectations
